

Satisfied Parents:

"We are very pleased with the way our child's development has excelled since her enrollment in Kidz Town Preschool. The child to teacher ratio gives me the reassurance that our child is receiving what she needs to learn and grow in a happy and healthy environment. As a mother of five children, I have had many experiences with child care facilities in the last 14 years. I can emphatically say that Kidz Town is a gem!!"

Alissa Priest

"We are excited to see how much our son is learning each day at Kidz Town. He counts, recites his alphabet, identifies letters, sings verses to songs he has learned and helps to remind us to put our hands together and say our prayers at the dinner table. Most of all we are happy that he loves his school."

Denise Siller

"From my initial visit, I could sense a positive and nurturing atmosphere. I was provided detailed information regarding their program and after careful observation, I was convinced this was the school I wanted my daughter to attend. Across the board, the entire staff was excellent to work with. If I had even the most minor concern, it was immediately addressed. The teachers are warm and loving and my daughter looks forward to coming to school each day. The staff have not only met my expectations, they have exceeded them. Thanks and keep up the great work."

Our Purpose

Kidz Town Preschool is staffed and equipped to give the best care to each child and to help assist them in the process of learning. All children are welcome regardless of race, sex, color, religious affiliation, and national or ethnic origin.

As a Christian preschool, children will be surrounded by an environment that includes respect, love and appreciation for each person and for the wonders of God's world. Each child will be encouraged to progress at his/her own rate toward self-discipline, enriched learning experiences, and the ability to make choices.

Our Vision

Our Vision is to create a positive atmosphere in our preschool that will help develop the full potential of each child and to assist our families with instilling in their child confidence, morality, academic readiness and a Christian foundation that will last a lifetime.

Ages

- 18 - 30 months (toddler program)
(based on availability)
- 2 - 5 years (preschool program)

Hours of Operation

- 7:00 a.m. - 5:30 p.m.
- Preschool Enrichment mornings
8:00 a.m. - 12:30 p.m.

Snacks / Lunch

Nutritious morning and afternoon snacks are provided daily. Inquire about availability of lunch program.

Our Focus

Spiritual: helping each child become aware of God's love for him/her and his/her family. We do this by including daily prayer and chapel services and by making use of teaching opportunities to teach scriptural principles and integrating Bible throughout the daily program.

Intellectual: encouraging an enthusiasm in the children for learning, exploring and discovering information firsthand. Examples: math, science, cooking projects.

Physical: encouraging experiences which will develop large (gross) and small (fine) muscle coordination and motor skills. Examples: fine motor - using writing utensils, cutting with scissors; gross motor - dance, group exercise, outdoor free play.

Creativity: giving every child the opportunity to use their imagination and express themselves through activities such as dramatic play, role playing, and open ended art projects.

Social/Emotional: encouraging participation in group activities, getting along with others and developing a feeling of security and belonging as well as offering opportunities to experience a sense of accomplishment and independence.

Language: creating opportunities for children to develop their language and literacy skills with activities such as letter and name recognition, show and tell, nursery rhymes, and storytime.
