

## Moral Convictions Questionnaire Impact Association Mission Trip

(If applicants are married and both applying, each spouse should complete a separate questionnaire.)

The Bible makes it clear that we should avoid sexual immorality (I Thessalonians 4:3-6). Being “above reproach” and “having a good reputation” are two of the qualifications for spiritual leadership listed in I Timothy 3. In light of this, The Impact Movement is highly concerned about the area of moral purity for our participants. It is critical that each participant exhibit strong convictions and a lifestyle consistent with Biblical standards.

A past problem in this area does not necessarily disqualify you, provided: 1) it can be determined that convictions are strong and consistent with Scripture, and 2) a sufficient “time-tested” track record of victory has been established. The information that you share with us will be treated confidentially and will be seen only by an individual directly involved in your application decision.

**NOTE:** Because of the sensitive nature of these questions you may prefer to discuss your answers over the phone. If so, indicate your desire for a phone interview. Phone interviews will be conducted with a staff member of The Impact Movement of your same gender.
