

## *We are the Great Outdoors*

Enjoy outdoor worship in the Roy C. Keys Vesper Area or take a hike out to Grapevine Chapel.

Our facility also features a camp ground with sites with utility hookups for RVs and a modern bath house located nearby. Tent camping sites are located near scenic Winter Lake just a short walk from the bath house.

The more than 1,000 acres of forest and seven miles of woodland trails afford many beautiful areas for one to step away from the crowds and experience the quiet serenity that envelops.

## Providing a Peaceful Setting in a Convenient Location

Parchment Valley Conference Center is a full service conference and seminar facility featuring accommodations for a variety of events. This secluded setting, located less than three miles from Ripley exit 138 on Interstate-77, is situated on more than 1,200 acres, including the main campus.

This beautiful, modern year-round facility features hotel style lodge accommodations for 78 overnight guests. All rooms feature private baths and air conditioning, and three rooms are specially equipped to accommodate guests with physical challenges.

The “dorm” facilities accommodate 120 guests, housing 10 persons per room in bunk beds with private bath. They are used by groups of all ages and are available throughout the year.

Our dining facility, which accommodates up to 200 guests, is located in the Administration Building (pictured on the front cover). Our foodservice staff prepares delicious menus for breakfast, lunch and dinner and a pot of coffee is usually on throughout the day.

Modern meeting room facilities are housed in four separate buildings and will comfortably accommodate groups from three to three hundred people. These meeting rooms are equipped with audio-visual technology that will enhance your presentation with multimedia. Five of the meeting areas feature hospitality centers for your convenience.

## Attractions both Indoors and Outdoors

Need room for a leisure-time activity after a long day of meetings? Then the Greenlee Activities Center is a facility you need to reserve. The center is truly a multipurpose facility, offering quiet meeting rooms and a multipurpose area that features indoor volleyball, basketball courts and plenty of space to program group activities. It also has a large open programming space called “The Loft” and a kitchenette. It is fully handicap accessible.

Just outside of the Activities Center is our outdoor pool, which is open during the months of June, July and August for the convenience and enjoyment of our guests. Use of the pool is included in the lodge and dorm room fees. Guests in our picnic areas and camp grounds may enjoy the pool for a nominal daily fee.

From the very beginning, Parchment Valley was designed to accommodate groups of all ages, from children to senior adults. Programming areas are situated to allow multiple groups to be on the grounds at the same time. Our activity fields easily accommodate group games or band field practice.

Parchment Valley is the perfect location for your week-long summer camp experience as well as for weekend retreats. Children and youth groups will find the “dorm” housing unique and the Greenlee Activities Center will provide programming space no matter what the weather may be. Campfire areas are located near the dorms and lodges for convenient access by groups as they close their day’s activities.
