CONCEIVE, DECLARE, UNITE, COMMIT:

"It is the dream of at least thirty acres of land on which will be built a regional church for the Tri-State area -- with beautiful, yet simple facilities including a worship center seating thousands, a counseling and prayer center, classrooms for Bible studies and training lay ministers, and a recreation area. All of this will be designed to minister to the total person - spiritually, emotionally, physically and socially -- and set in a peaceful, yet inspiring landscape."

"Write the vision and make it plain... For the vision is yet for an appointed time..., though it tarry, wait for it; because it will surely come, ..."
