“HOW PRECIOUS ARE YOUR THOUGHTS ABOUT ME, O GOD. THEY CANNOT BE NUMBERED! I CAN’T EVEN COUNT THEM; THEY OUTNUMBER THE GRAINS OF SAND! AND WHEN I WAKE UP, YOU ARE STILL WITH ME!”
PSALM 139:17-18 (NLT)

*Get ready to receive that for which you have been dreaming.
You are never past seeing your dream come to pass.*

Dream Again in 2010 is the phrase the Spirit of God recently spoke to me. With that word, came the desire and direction to impart this into your life.

What is the promise, prophesy, the desire, the dream, the calling and the confessions you once held fast to?

It is time to stir it up, pursue it and witness the fruition of it. Lay claim to these things afresh and anew.

While you are on the earth, **you are never past seeing your dream come to pass.**

There is a saying concerning the “ship sailing without you” or “opportunity only knocking once”. However, when you place God into the equation, He can bring that ship back to your shore and place you firmly on opportunity’s doorstep!

As you enter this New Year, leave behind those things that have sought to steal or hinder your dream.

Economic downturn, time delays, your age, words of doubt spoken by those closest in your life, all can work as instruments causing you to lose your focus and your hold on the promise.

Joseph, whose life is recorded in the Bible, faced all of the situations and more. God gave Joseph a promise, a prophecy concerning his life, when he was about 13 years of age. His brothers betrayed him, almost killed him and then sold him into slavery. He was falsely accused, put into prison and forgotten about by those he had befriended. But He was not forgotten by the One who gave him his dream and can do the impossible!

God brought Joseph victoriously through every delay, every word of doubt spoken to him or about him and fulfilled the dream he had been given.

Joseph was about thirty years of age when he came into the place God had prepared for him as a young boy. God has your place prepared, as well. Get ready to receive that for which you have been dreaming. *Dream again in 2010!*

We’re very much anticipating great things from the Lord in 2010! It is a new season for God to show Himself strong on behalf of His people.

Stay connected in faith. Stay connected with this Ministry. We will share in many wonderful and life changing testimonies in the coming days!

NEW YEARS REVELATIONS

Revelation is the impartation to man of the knowledge and plans that are in the heart of God for us. The Holy Spirit allows us to have a "spirit of wisdom and revelation". (I Cor. 2:10; Eph. 1:17-18)

As God moves in season, He gives us revelation concerning direction, plans and vision for the days ahead.

Our goal is to walk that revelation out. What we receive in our spirits, we must begin to prepare for and walk out in the natural.

In the column to the right of this article, I share with you the plans that God has given me for the coming days.

I ask you to consider sowing into the vision for 2010. Your gift has a greater impact

and goes further, because of the many opportunities God has granted us.

As you stir up your dream and plant Seed into this Ministry, it will bring to pass what is in my heart. ***The Bible gives you a promise that whatever you make happen for others God will cause to happen for YOU!***
Ephesians 6:8

You may mail your gift or give online at www.mottministries.org. Please tell me the particular project into which you are sowing. All monies received above the need for a project will be placed toward another area.

I thank the Lord for the doors of opportunity opening and for you; whom He has called to help accomplish these things.

Technology in Ministry

Mott Ministries served as a pioneer this past year in "broadcasting" services over the telephone.

We have been using the internet to "stream" live audio from the services for a while. This year we began having the Messages in an archive so you could listen at your convenience. In addition to listening to the message, you download it to your computer, podcast it and even email it to a friend. Many people have been introduced to our Ministry through this manner.

Another exciting technology the Lord has provided is our "phone-cast".

Our "phone-cast" allows a person,

who may have not access to a computer, to dial a telephone number and listen live to the service. *Mott Ministries is one of the first Ministries to use such an avenue to broadcast the Gospel.*

We have since helped other Ministries establish their phone-cast to increase the spread of the Gospel!

To listen to the **live phone-cast**, on Sunday mornings and Wednesday evenings, dial **717-625-6955**, when prompted enter our access number **246460**.

1. CD/ DVD duplicating equipment.

This equipment will allow us to produce and distribute Messages to our Partners and those in the services on an audio cd they can listen to or a DVD they can view.

Presently, it can take up to one month to get a Message prepared, duplicated and ready to mail. This purchase will allow us to get the Word out in a timelier, efficient manner.

"A word in due season, how good it is."

Ministry cost \$1,500.00.

Please mark your offering to this project: cd/dvd

2. Expand Our Technology Ministry services by adding a second phone-cast. This phone-cast will be used to broadcast from the services on the field. Most Churches do not have telephone access available in their Sanctuary. We need the equipment that allows us to "broadcast" the Message without a telephone line.

Ministry cost \$ 350.00.

3. Increase the scope of Ministry in Terre Haute, Indiana

October 2009, Angela and I accepted the assignment to lead Full Gospel Assembly of God Church in Terre Haute. We once served his Church as their Pastor and saw God do many wonderful things.

Since October, the attendance has doubled.

The Faith Message is needed and there is only one additional Word of Faith Church in the area. There are projects that need to be completed on the physical structure, as well, we believe to add a Children's Minister very soon.

Ministry cost ongoing

4. Establish A Ministry Center in Plainfield, Indiana. When we founded Mott Ministries in 2001 and moved to Plainfield, we knew the Lord had birthed a dream within our hearts to establish a Ministry Center. Plainfield is located in Hendricks County, **the 2nd fastest growing county in Indiana.** There is **NO Word of Faith Church** in Plainfield or Western Hendricks County. The need and interest exists.

The initial plans are in progress to meet this need. **Ministry cost ongoing**
