

# Alumni Chapel 2010

## DON'T OPEN UNTIL JANUARY 2010!

Mrs. Deckert's 6<sup>th</sup> grade class wrote "time-capsule" letters to themselves in January, 2000 to be opened in January, 2010. A dozen students from that class met with her, including one student who flew in from Delaware, and they opened their letters. They had a wonderful time reminiscing, talking about their letters, and catching up with each other. Mrs. Deckert commented, "You all have relationships that have lasted since 6<sup>th</sup> grade. God's love and faithfulness is present in your lives today just as it was when you were in 6<sup>th</sup> grade."

Alumni from the Class of 2008 also enjoyed the Alumni Chapel with teacher ReEtta Roever.
