LCCS CHESS STUDENTS RECEIVE PROCLAMATION

The Lake Country Christian School Chess Team was recognized and honored with a state senate resolution No. 453 sponsored by Senator Wendy Davis of Fort Worth. In a special meeting with the LCCS Chess Team, Senator Davis met with the group at her offices and congratulated them on their successful and growing program. Senator Wendy Davis commented, "I am so proud of these young people! I applaud them for their time and commitment in pursuing something that sharpens their ability to think and strategize. They are using their brains for fun while at the same time developing a strong work ethic."

The LCCS Chess Team garnered more than 25 trophies in the 2008-09 school year, and the Senate Resolution No. 453 recognized their winning nine trophies at the Region II tournament held last February. The team continued their winning streak this year, once again winning regionals and taking seven trophies at state. The team goes to national competition on April 15.

Congratulations, LCCS Chess Team!
