## Making a Difference in Lives

### A simple way to touch others

We have a very easy and simple way for you to connect with others and influence them to come to church. Beginning this weekend we are asking for you to pick up a yard sign, window decal, and invite card.

**Yard Sign** - We have folks presently attending DestinyLife because their neighbor had a yard sign. You would be surprised how little effort it takes to influence someone to come to church if they are looking for a church home.

Simply pick up your yard sign this Sunday.

**Window Decal** - a great way to let people know about your church is to place an attractive window decal on the back of your vehicle. Everywhere you go you are reminding folks about where you go to church. Besides you even drive safer with your church decal on your vehicle.

**Invite Card** - Each Sunday when you come in for worship look for a business size card

laying on the seat next to you. Simply pick it up and put it in your wallet or purse. During the week at work or running errands use the card to invite your friends and family to DestinyLife. There is a small map on the back of the card and full information that can be used to help people find DestinyLife.

Thanks for taking the next sixty days and making a difference in someone's life.
