# Spirit Catholic Radio 2009 Annual Report

## A Year Filled With Thanksgiving, Blessings and Growth

It's with *heartfelt* gratitude for your prayers and support that I write this note of thanks as we look back on the many blessings Spirit Catholic Radio received in 2009. It was a landmark year as we celebrated 10 years on the air in the Omaha area and began a new era of expanded broadcasting throughout the Heartland.

With much joy and thanksgiving, we began broadcasting on the 50,000-watt Spirit 102.7FM signal in the Lincoln area on January 29, which quickly doubled our audience reach with the turn of the switch. The signal upgrade was complete in June with new broadcast equipment installed at a tower facility in Gretna. Our signal now reaches over 1 million people in eastern Nebraska and

western Iowa! With mixed emotions, we also said good-bye to the 88.9FM and 103.1FM signals with their sale to another broadcaster in June.

You also put your energies and muscles to work. In May, with the help of hundreds of dedicated volunteers, nearly 7,000 yard signs blanketed the listening area announcing the new signal. This evangelizing effort led to thousands of new listeners. We still receive e-mails and phone calls from new listeners that tuned in thanks to the presence of a well-placed yard sign or bumper sticker.

But the Holy Spirit wasn't done yet! Thanks to the help of 275 donors in the Grand Island area,

\$150,000 was raised in just four months to allow for expansion into Central Nebraska on 91.5 FM in late December.

Our lives were enriched through programming, local conferences and anniversary pilgrimages that were a part of the Spirit Catholic Radio Network. Your generosity has enabled us to bring the best in Catholic Radio programming to a constantly expanding audience. People need the Gospel message now more than ever, and you're helping the Holy Spirit deliver that message. *Veni, Sancte Spiritus! Come, Holy Spirit!*

**Jim Carroll, Executive Director**

## Development Update - Support For Catholic Radio Soars!

The Spirit Catholic Radio family got a lot larger in 2009!

Thanks to the power upgrade, tens of thousands of new listeners can receive the signal in their homes or vehicles. From that same population, we were blessed by a record year in number of donors and dollars pledged.

The support was evident early in the year as the 2009 Spring Care-a-thon netted an overwhelming \$300,000! That was \$25,000 over our goal! Most

importantly, it was our first care-a-thon with the expanded signal, and we received donations from 116 communities other than Omaha and Lincoln.

This momentum continued well into the summer as we launched our third Campaign for Catholic Radio. This three-year initiative to raise \$2 million dollars will support Catholic Radio in four key areas: local programming, broadcast expansion, debt reduction and community awareness. I'm happy to report

that well over 1,300 listeners have already donated to this campaign, and we have reached nearly 75 percent of the goal - Praise God!!

Fundraising efforts were graced by listener support in so many ways, adding up to nearly a 40 percent  
(Continued on page 2)

**Bernie Schaefer, Development Director**

**Steve Ray, Janet Ray, Karol Carroll & Jim Carroll in the Holy Land in November.**

**Forty-four people from the listening area made the pilgrimage to the Holy Land with Steve Ray!**

*"I love everything about the station. It has changed my life for the better. I can't get enough of it! It gives me goose bumps at times. I can just feel the Holy Spirit working in me. Thank you!"*

**Archbishop George J. Lucas of the Omaha Archdiocese in the Omaha studios.**

St. Therese the Little Flower: \$7,500 - \$9,999

St. Francis of Assisi: \$5,000 - \$7,499

## Underwriting Update

Business Underwriters play a very unique role in the support of the station. During 2009, more than 160 businesses used their marketing and advertising budgets to support Spirit Catholic Radio. Promoting their business on KVSS has been an effective complement to their secular

advertising, public relation & marketing campaigns. In exchange for their financial support – whether in cash or trade – Spirit Catholic Radio provides on-air announcements.

We are thankful for the Business Underwriters and their marketing

as they share a fundamental commitment to support Catholic Radio!
