Bear Creek Lodge

WILL PROVIDE YOU
WITH THE BEST
HUNTING EXPERIENCE
ANYWHERE IN THE WORLD
SIMPLY UNFORGETTABLE

Reasons To Hunt With Bear Creek

1. Kentucky is Top 2 or 3 in the Nation in B & C Bucks per square mile.
2. Kentucky is Fourth in the Nation in producing B & C Bucks.
3. Kentucky has Top Quality Deer management practices (only allow 1 buck per year).
4. We are located directly across the big Sandy river from both West Virginia Wilderness Areas and Southern Ohio (Also in Top 4 for Big Bucks).
5. Forests are all hardwoods with high protein mast crops (oak acorns) perfect nutrition for the production of Monster Bucks.
6. Mineral content of soil is conducive to big antler growth and is complemented by our mineral supplementation and high protein grain supplements we feed.
7. Alfalfa and ladina clover fields cover the land for high protein grazing.

Accommodations

With a 10,216 sq ft lodge, bedrooms with bunk beds, queen beds & bunk beds, queen beds for couples, separate bath areas for men and women, a large dining area that will accommodate any size hunting party or group who wish to use the lodge for a retreat, a commercial grade kitchen to accommodate small hunting parties or large retreat groups, cozy fireplaces to sit around after a long day's hunt or horseback ride and hike, gathering areas with large flat screen TV's and direct TV for all sports, news and general programming, DVD players for viewing of the day's hunting videos, etc..., gaming tables for card playing, ping pong and billiards table, along with a hot tub on the front wrap around porch overlooking the lake for a relaxing evening after a long day's hunt, and an open gas fire pit to warm up by out on the porch . . .
