Renovation of Children's Ministry Center

- The Children's Ministry Advisory Board hosted a meeting on April 8, 2010, to review the proposed renovation plans for the Children's Ministry Center. All of the CMAB members, all Explorers teachers, all of the volunteers who work with Camp Creekwood, Barrett Owens the project director, and Sandra Burrus the Church Council Chair, were invited to attend. The proposed renovation plan was sent out prior to the meeting, and those who were not able to attend were invited to submit their suggestions via e-mail prior to the meeting. All renovation suggestions were presented and discussed at length, and in detail. A plan was solidified and we believe that it will serve the ministry well for many years to come. Everyone involved in this ministry has had the opportunity to offer their suggestions and we are ready to move forward. All changes to the "option 2" plan were agreed upon by all members present. The Children's Ministry Advisory Board recommends the attached revised renovation plan for approval to the Board of Trustees and Church Council. The revised "option 2" plan and the list of revisions are attached.
