

The Nation's Largest Scuba & Swim Center is now open!

Join us this summer for underwater fun! DiVentures' brand new facility includes a 14-foot deep pool, perfect for testing out scuba diving, learning to swim or hanging out with other water enthusiasts. There's plenty to do for everyone in the family - from birthday parties for the kids to specialty scuba diving courses for mom and dad.

Scuba Diving

Open Water Certification Course - \$375

This course provides students with a lifetime scuba certification. Certification involves three components: knowledge development, contained water dives and open water dives. Sign up today and get ready to explore the ocean from underwater. Students must be at least 10 years old.

Discover Scuba Diving Course - \$50

While not an actual scuba certification, during the Discover Scuba Diving experience students will learn how to use scuba equipment in shallow water and get a quick and easy introduction to what it takes to explore the underwater world. Students must be at least 10 years old.

Bubblemakers & Seal Team - \$50

Youngsters can join in the family fun of scuba diving or even start a trend. Students must be at least eight years old.

DiVentures Swim School

Open to children as young as six months. A session includes 10 lessons for \$180. Students may take one class a week for ten weeks or one class a day for two weeks. Classes are held at a variety of times.

DiVentures Swim School Advantages:

- Our pool and air temperature will be warm and comfortable to provide the best learning environment.
- Our class sizes are small, ensuring personalized attention for all students.
- We use swim fins to promote kicking and horizontal positioning in the water, making your child a stronger swimmer sooner.
- We include parents in the last five minutes of each class so you can see which skills your child learned and which should be reviewed.
- We have four levels for each age group to prevent students from getting "stuck" in a level
